Lyon Grove N.B.
March 29. 1880

Mr. Hayden takes the
great liberty of presenting his
compt. to Mr. Jordan. and
thence he may think
proper to notice his picture
he would perhaps have no
objection to mention that
Mrs. Siddons decidedly
approved of the Christy lead -
as this opinion would do her
no harm - I insert good in
public opinion - Mr. Hayden
hopes Mr. Jordan will pardon
this very great liberty he has
taken in expressing an anxiety for
such insertion of it should not
interfere with his own opinion. -
